

# PRIVATE BARTENDER

Welcome to our Private Bartender Cocktail Experience! Elevate your events to new heights with our premium bartending service, designed to deliver unforgettable moments and exceptional cocktails.

You will be hiring two expert bartenders for 2-4 hours, ready to craft an unlimited selection of cocktails for your guests. Our bartenders come equipped with professional bartending equipment, ensuring a seamless and stylish bar setup at your event.

But that's not all - we go the extra mile to ensure your bar experience is nothing short of extraordinary. Our team will work closely with you to design custom cocktail menus tailored to your event theme and preferences. Whether you're hosting a sophisticated soiree or a lively celebration, we'll curate a selection of cocktails that perfectly complement the occasion.

To make your planning process even easier, we provide a comprehensive shopping list detailing exactly what ingredients you'll need to purchase for the cocktails on your menu. We'll guide you on where to buy these ingredients, ensuring you have everything required for a successful bar setup.

And for the ultimate touch of elegance, consider adding our optional glassware rental service. Choose from a stunning array of glassware options to elevate the presentation of your cocktails and impress your guests with every pour.

With our Platinum Service Cocktail Experience, you can relax and enjoy your event while our team takes care of all your bartending needs. From expertly crafted cocktails to impeccable service, we're here to make your event an unforgettable success.
